I WANT TO SAY IN THE VERY BEGINNING THAT I AM DEEPLY GRATEFUL TO COUNTY AGENT, FRANK BUCHANAN OF ATTALA COUNTY FOR HIS VERY WONDERFUL HELP IN SELECTING THE FAMILY WHICH WE SALUTE TODAY AND ALSO TO MR. BUCHANAN AND MR. C.S. VANDERFORD, WORK UNIT CONSERVATIONIST OF THE ATTALA COUNTY SOIL CONSERVATION SERVICE, FOR GOING WITH ME TO THIS FARM LAST MONDAY TO HELP ME OBTAIN THE STORY WHICH I AM NOW GOING TO TELL. I FOUND OUT A NUMBER OF THINGS ABOUT THIS FARMER WHEN I DROVE UP HIS DRIVEWAY AND BEFORE I HAD EVEN MET HIM. THE SIGN ON HIS MAILBOX TOLD ME HE IS A COMPLETE MECHANIZED FARMER AND REALLY PROUD OF WHAT THIS MECHANIZATION HAS DONE FOR HIM. IF HE WASN'T HE WOULDN'T HAVE THIS SIGN ON HIS MAILBOX FOR ALL TO SEE. I WASN'T LONG HAVING THIS FACT VERIFIED AS I TALKED TO MR. DAVID W. HENDERSON AND HIS LOVELY WIFE AND DAUGHTER, THE FAMILY WHICH WE SALUTE TODAY. MR. AND MRS. HENDERSON LIVE ON AND FARM 165 ACRES OF LAND IN THE NILE COMMUNITY OF ATTALA COUNTY, ABOUT 12 MILES SOUTHEAST OF KOSCIUSKO, MISSISSIPPI....A FARM THAT ADJOINS THE ONE ON WHICH DAVID GREW UP AS A BOY. THERE'S AN AWFUL LOTE OF IMPORTANT HISTORY TO THIS FAMILY STORY AND I COULD PROBABLY SPEND THE WHOLE TIME TODAY JUST RECOUNTING THE EARLY BEGINNINGS OF

THIS FAMILY WITHOUT EVEN MENTIONING THEIR PRESENT VERY MODERN AND SUCCESSFUL FARM AND HOME PROGRAM. AND BECAUSE SO MUCH OF THAT HISTORY WILL TELL THE KIND OF FARMER DAVID HENDERSON IS TODAY I'M GOING TO TRY TO WORK A CONSIDERABLE AMOUNT OF IT INTO OUR STORY. HOWEVER, FIRST, LET ME SAY THEIR HOME AND FARM YARD IS ONE OF THE MOST BEAUTIFUL AND IMMACULATELY CLEAN YARDS I'VE EVER SEEN. IT SHOWS A REAL LOVE AND CARE FOR THEIR WAY OF LIFE. MR. AND MRS. DAVID HENDERSON DIDN'T ALWAYS HAVE IT THIS GOOD. THEIR ORIGINAL HOME WAS JUST FOUR ROOMS OF THEIR PRESENT HOME. EVERY BUILDING YOU WILL SEE ON THIS FARM HAS BEEN BUILT BY DAVID... EVERYTHING FROM CUTTING THE LUMBER FROM HIS OWN TIMBER TO SAWING IT WITH HIS OWN SAWMILL AND BUILDING IT WITH HIS OWN HANDS. LOOKING BACK OVER THE PAST AS HE TALKED WITH COUNTY AGENT BUCHANAN AND SOIL CONSERVATIONIST VANDERFORD, DAVID RECALLS THAT HE WENT UP TO MISSISSIPPI STATE TO GO TO SCHOOL BUT FOUND 126 BOYS IN THE IN AGRICULTURE GRADUATING CLASS WITHOUT A SINGLE ONE HAVING THE PROSPECT OF A JOB. HE RECALLS THAT HE TOLD A BUDDY THAT AFTER FOUR YEARS WITH THOSE KIND OF PROSPECTS HE WOULDN'T BE ABLE TO PICK PEAS AND HE WAS GOING HOME AND GET A JOB. HE ALSO SAYS TODAY HE KNOWS THAT IF HE HAD GONE ON TO COLLEGE

HE WOULDN'T HAVE MADE IT SO HARD ON THE COUNTY AGRICULTURAL WORKERS IN ATTALA COUNTY IN THE YEARS SINCE. YOU SEE, DAVID WAS A YOUNG MAN, LIKE SO MANY, THAT DIDN'T HAVE THE SLIGHTEST IDEA WHAT HE WANTED TO MAKE OF HIS LIFE. HE HAD NO IDEA HE'D EVER BE A DAIRYMAN AS HE IS TODAY. SO, HE CAME BACK TO ATTALA COUNTY AND TOOK UP A JOB HE HAD PICKED UP WHILE IN HIGH SCHOOL AT BARNES. HE BECAME A HILLBILLY MUSICIAN WITH A PROGRAM ON THE KOSCIUSKO RADIO STATION. IT WAS WHILE DOING THIS THAT HE MET HIS LOVELY WIFE, COURTED HER AND MARRIED HER IN 1937. FOR TWO YEARS AFTER THEIR MARRIAGE HE PLAYED MUSIC AND OPERATED A MILK TRUCK HAULING MILK FOR PET MILK COMPANY. AFTER 2 YEARS OF THIS KIND OF LIFE HE QUIT MUSIC AND CAME TO JACKSON AND MANAGED A SERVICE STATION FOR TWO YEARS...THEN BACK TO THE FARM FROM 1939 TO 1941 TRYING TO FARM 80 ACRES HIS FATHER HAD GIVEN HIM. BUT DAVID HENDERSON STILL WASN'T SATISFIED AND IT WAS BACK TO MANAGING SERVICE STATIONS IN HATTIESBURG FOR ANOTHER YEAR. THAT WAS THE YEAR 17 YEAR OLD JANICE WAS BORN. BUT BY THE TIME SHE ARRIVED HE WAS SICK OF IT ALL... HE GOT HIS WIFE AND NEW DAUGHTER OUT OF THE HOSPITAL AND HEADED BACK TO THEIR ATTALA COUNTY FARM AS FAST AS THEY COULD MAKE IT....AND THIS

COW BARN

TIME THEY STAYED AND THEY'VE WORKED AT MAKING FARMING A WAY OF LIFE FOR THEM THROUGH MORE BAD TIMES THAN GOOD. WHEN THEY CAME BACK TO THE FARM IN DECEMBER OF 1941 MRS. HENDERSON'S MOTHER GAVE THEM AN OLD RED POLLED COW AND FROM HER THEY RAISED SIX WHITE FACE HEIFERS. THEY TRADED THOSE SIX WHITE FACE HEIFERS FOR SIX JERSEYS AND STARTED SELLING MANUFACTURING MILK DOING ALL THE MILKING BY HAND IN THIS DAIRY BARN. THEY DIDN'T HAVE ANY ELECTRIC LIGHTS, AND DAVID RECALL THAT THEY NEVER QUIT WORK IN THE FIELD TILL DARK AND ALWAYS MILKED BY LANTERN LIGHT. WITH AN ACCUMULATION OF 13 COWS THEY SOLD MANUFACTURING MILK TILL 1949 WHEN THEY WENT GRADE "A". THEY CONTINUED TO MILK IN THIS BARN UNTIL JUST A MONTH AGO WHEN THEY COMPLETED A NEW MILKING PARLOR UNIT THIS BARN IS NOW A NURSERY FOR CALVES. THEIR NEW MILKING PARLOR IS ONE OF THE MOST MODERN I'VE EVER SEEN, AS I'LL SHOW YOU IN A FEW MINUTES. IN 1946 DAVID BOUGHT AN ADJOINING 80 ACRES. HE BORROWED EVERY PENNY TO BUY IT AND PAYED IT ALL BACK THAT SAME FALL AFTER THE CROP WAS GATHERED. HE MADE 7 BALES OF COTTON ON 6 ACRES THAT YEAR. THEN IN 1948, THE YEAR ELECTRICITY CAME TO THEIR FARM THEY MADE 25 BALES OF COTTON ON 23 ACRES. WHEN THEY WENT GRADE "A"

IN 1949 THEY HAD 16 COWS AND STARTED SELLING MILK TO LUVEL CREAMERY IN KOSCIUSKO. THEY'RE STILL SELLING TO LUVEL AND TODAY THEY HAVE ONE OF THOSE ALL JERSEY HERDS THAT YOU HEAR LUVEL FOLKS TALK ABOUT. HOWEVER, WHAT THEY HAVE TODAY HASN'T COME ABOUT AS EASILY AS IT MAY SOUND. IN 1951 DAVID AND COUNTY AGENT FRANK BUCHANAN WENT TO A SALE AND THEY BOUGHT 3 REGISTERED JERSEYS. HE BEGAN TO THINK ABOUT IMPROVING HIS HERD. LOOKING AROUND DAVID SAW A COW HE DIDN'T LIKE SO HE DECIDED TO TAKE HER TO THE SALE. AFTER SELLING HER HE THOUGHT IT BETTER TO PUT THE MONEY INTO ANOTHER COW THAN TAKE IT HOME AND MAYBE SPEND IT SO, SEEING A PRETTY GOOD QUALITY COW AT THE SALE AND KNOWING WHERE IT CAME FROM AND FIGURING IT WOULD BE A GOOD CLEAN COW, HE BOUGHT HER. THAT STARTED ONE OF HIS BIGGEST TROUBLES. TO MAKE A LONG STORY SHORT, DAVID CAUGHT UNDULENT FEVER FROM THAT COW AND SPENT TWO YEARS AND \$2,000 GETTING OVER IT. THAT COW CAUSED HIM TO LOSE 13 COWS AT ONE LICK BECAUSE OF BANGS AND BEFORE HE WAS THROUGH WITH IT HE HAD LOST 27 HEAD OF CATTLE DAVID SAYS IT NEARLY WIPED THEM OUT BUT IT TAUGHT HIM TWO IMPORTANT LESSONS FROM THAT DAY TO NOW EVERY CALF ON THE PLACE HAS BEEN CALFHOOD

SLIDE <u>FARM-10</u> CATTLE	VACCINATED AND THERE HAS NEVER BEEN ANOTHER COW OR CALF BOUGHT AND BROUGHT ON THE PLACE. TODAY DAVID HENDERSON HAS 85 HEAD OF FINE JERSEYS HALF OF THEM REGISTERED. HE HAS 45 MILK COWS AND AT HIS PEAK MILKS 35 TO 40 AT A MILKING. HE CULLS HIS HERD CLOSE NOW...HAVING SOLD 15 COWS THIS YEAR TO MAKE WAY FOR GOOD REPLACEMENT
SLIDE <u>FARM-16</u> HEIFERS	HEIFERS. HE HAS NEVER SOLD A HEIFER CALF IN HIS LIFE. DAVID SAYS THE LORD HAS BEEN GOOD TO THEM IN GIVING THEM SO MANY HEIFER CALVES. HE ALSO RECALLS THAT AN AGRICULTURAL SPECIALIST ONCE TOLD HIM, WHEN HE WAS FIRST STARTING, THAT THE LORD HADN'T BEEN VERY GOOD TO HIM...THAT HE JUST DIDN'T HAVE ANY GOOD LAND AND WOULD NEVER BE ABLE TO CARRY MORE THAN 20 HEAD OF CATTLE ON IT.
SLIDE <u>FARM-17</u> CALVES	I THINK MAYBE THAT STATEMENT HAS HAD SOMETHING TO DO WITH SPURRING DAVID ON TO HIS PRESENT OPERATION. HE HAS TWO REGISTERED JERSEY BULLS AND USES ARTIFICIAL BREEDING ON HIS BEST ANIMALS. BY THE WAY, DAUGHTER JANICE, HAS 12 HEAD OF COWS OF HER OWN FROM AN ORIGINAL 4-H CLUB HEIFER. SHE PLANS TO USE THE MONEY TO GO TO EAST CENTRAL JUNIOR COLLEGE NEXT YEAR. DAVID HENDERSON SEEKS INFORMATION IN MANY WAYS AND TRIES TO PROFIT FROM WHAT HE LEARNS. HE READS EVERY ISSUE OF

PROGRESSIVE FARMER AND FARM AND RANCH FROM COVER TO COVER. HIS PRESENT MILKING PARLOR OPERATION CAME ABOUT AS A RESULT OF ATTALA COUNTY DAIRY WEEK HELD LAST JUNE DURING DAIRY MONTH. DAVID ATTENDED THE FARM TOURS DURING THE WEEK, SEEING MANY FINE DAIRY OPERATIONS. WITHIN A WEEK AFTER MAKING THE TOURS HE STARTED ON PLANS FOR HIS NEW OPERATION. OH, BY THE WAY, DAVID, HIS WIFE AND DAUGHTER, HANDLE THIS WHOLE DAIRY PROGRAM BY THEMSELVES. MRS. HENDERSON SAYS IT IS A PLEASURE TO MILK COWS NOW. IN 1951 THEIR HERD AVERAGE WAS LESS THEN 3,000 POUNDS OF MILK PER COW PER YEAR. TODAY IT IS BETTER THAN 6,000 POUNDS. IT HAS BEEN BROUGHT ABOUT BY BETTER BREEDING, FEEDING AND MANAGEMENT. DAVID SAYS IF YOU'LL TREAT THEM RIGHT THEY'LL PAY OFF. THIS IS A PIPELINE MILKING PARLOR THAT HANDLES THREE COWS AT A TIME. MILK IS NEVER TOUCHED BY HUMAN HANDS. IT GOES DIRECT FROM THE COW'S UDDER INTO THE MILK CAN IN THE COOLER, WHERE IT IS HELD AT A FIXED TEMPERATURE UNTIL IT IS PICKED UP EACH DAY. ALL CALVES, BY THE WAY, ARE RAISED ON NURSE COWS. HERE'S SOMETHING ELSE ABOUT THIS MODERN MILKING PARLOR. IT IS AUTOMATICALLY SELF-CLEANING. THERE IS NO DOUBT ABOUT IT, THIS IS A COMPLETELY ELECTRIC DAIRY OPERATION. NO LONG HOURS OF LABOR

CLEANING MILKING EQUIPMENT. DAVID SAYS HE HASN'T MISSED A MILKING IN 3 YEARS. THREE YEARS AGO THE FAMILY WENT TO FLORIDA FOR A VACATION BUT AFTER FOUR DAYS WERE SO HOMESICK FOR THEIR DAIRY FARM THEY PACKED UP AND CAME HOME. DAVID FEEDS A 20% DAIRY RATION WHICH HE HAS MIXED ACCORDING TO HIS OWN NEEDS. ONE OF THE THINGS MOST IMPORTANT TO HIS FEEDING PROGRAM IS SILAGE. HE USES A COMBINATION OF CORN AND SOYBEANS AND ALSO A COMBINATION OF TRACY SORGHUM AND SOYBEANS.

SLIDE FARM-19  
TRENCH SILO

DAVID HENDERSON STARTED FEEDING SILAGE BECAUSE A NEIGHBOR SOLD OUT HIS DAIRY HERD AND GAVE DAVID THE SILAGE LEFT IN HIS SILO. THAT SOLD HIM ON THE VALUE OF SILAGE AND HE'S BEEN PUTTING IT UP EVER SINCE. THE UPRIGHT SILO WHICH HE BUILT IN 1951 HOLDS 84 TONS AND THIS TRENCH HOLDS 300 TONS DAVID FILLS THEM BOTH EACH YEAR. HE GETS THE SILAGE OUT OF THE TRENCH WITH THAT ELEVATOR YOU SEE IN THE BACKGROUND AND AN ELECTRIC MOTOR.

SLIDE FARM-20  
SILAGE

DAVID USES A NEOPHRENE PLASTIC COVER TO PRESERVE HIS SILAGE AND IS COMPLETELY SOLD ON IT. PERFECT SILAGE IMMEDIATELY UNDER THE COVER. HE ALSO PUTS UP FOUR TO FIVE THOUSAND BALES OF HAY EACH YEAR. HE HAS 125 ACRES OF PERMANENT PASTURE WHICH CONSISTS OF WHITE DUTCH CLOVER, DALLIS AND BERMUDA AND BAHIA GRASS, CRIMSON CLOVER AND RESCUE. HE

HOGS

SLIDE FARM-22  
TIMBER

HAS BOTH COMMON AND COASTAL BERMUDA. HIS TEMPORARY GRAZING IS ALICE CLOVER AND SUDAN GRASS IN THE SUMMER AND OATS, RESCUE AND CRIMSON CLOVER IN THE WEINTER AND EARLY SPRING. HE PUTS ALL HIS ROW CROP LAND BACK TO OATS, RESCUE AND CRIMSON CLOVER AND PLANS TO PUT SOME WILD WINTER PEASE WITH HIS BERMUDA THIS YEAR. HE TESTS HIS SOIL AND FERTILIZES HEAVY. HE HAS HAD A SOIL PLAN ON HIS FARM SINCE MR. VANDERFORD HELPED HIM WORK IT OUT IN 1949. ALL OF HIS SOIL HAS BEEN CLASSIFIED AND HE FARMS EVERY INCH ACCORDING TO SOIL TYPE. BESIDES DAIRYING DAVID HENDERSON RAISES A FEW HOGS TOO. HE HAS TWO REGISTERED DUROC SOWS AND 20 SHOATS. THEY KILL FOUR OR FIVE FOR FOOD AND MARKET THE REST. DAVID SAYS WHEN HE CAME BACK TO THIS FARM IT WAS WORN OUT... GULLIED AND ERODED AWAY AND HAD GROWN UP TO BUSHES AND BRIARS. IT WOULD ONLY MAKE ABOUT A QUARTER OF A BALE OF COTTON TO THE ACRE. IT'S A MIRACIE INDEED THAT'S BEEN WROUGHT ON THESE ACRES HE HAS 20 ACRES OF FINE PINE TIMBER WHICH HE THINS AND WEEDS AND SEIECTIVELY HARVESTS. HE HAS SET OUT 2,000 SEEDLINGS AND HAS ANOTHER 2,000 ON ORDER FOR THIS YEAR. FROM HIS TIMBER HE HAS FENCED AND CROSS FENCED HIS LAND AND TREATS ALL HIS POSTS WITH A PENTA SOLUTION IN HIS OWN HOME

MADE TREATING VAT. HE HAS HAD TENNANT HANDS ONLY TWO YEARS SINCE 1942 AND NONE NOW. DAVID ALSO LOVES TO HUNT AND HE FIRMLY BELIEVES IN PROTECTIN THE GAME AVAILABLE. HE HAS PLANTED LESPEDEZA BI-COLOR ALONG THE FIELD EDGES AND IN ALL THE CORNERS AS YOU SEE HERE. HE HAS ALSO PLANTED SERECIA IN THE CORNERS AND A LONG THE FENCE ROWS AND HAS A QUARTER OF A MILE OF MULTI-FLORA ROSES FOR GAME COVER AND FOOD AND BORDER FENCING TO HELP HOLD THE ROAD BANK. HE HAS FOUR STOCK PONDS AND BUILT ALL BUT ONE OF THEM HIMSELF WITH HIS FORD TRACTOR. HE HAS SOME EXCELLENT FISHING IN THEM. HE SAYS HIS FORD TRACTOR DOES EVERYTHING. HE EV EVEN MILKS WITH IT IF THE ELECTRICITY GOES OFF. HE IS ON HIS THIRD FORD TRACTOR NOW. HE BOUGHT HIS FIRST TRACTOR IN 1942 AND SAYS THAT'S WHEN HE REALLY BEGAN TO FARM. THERE'S A GOOD HOME MAKING STORY HERE TOO. WE'VE SPENT SO MUCH TIME ON THE DAIRY STORY, IN WHICH THE WHOLE FAMILY PARTICIAPTES THAT WE'LL JUST TOUCH BRIEFLY ON THE HOEMAKING STORY. FROM THEIR 2 ACRE GARDEN MRS. HENDERSON FREEZES ABOUT 2,000 POUNDS OF FOOD WITH THE HELP OF DAUGHTER JANICE WHO HAS FOOD FREEZING AS A 4-H CLUB PROJECT. THE TWO OF THEM ALSO PUT UP ABOUT 500 JARS OF FOOD. THEY SWAP SILO FILLIN AND HAVE A LOT OF EXTRA HANDS TO FEED AT THAT TIP

SO THEY PRESERVE A LOT MORE FOOD THAN JUST THE THREE OF THEM WOULD EAT. MRS. HENDERSON AND JANICE BOTH LOVE TO COOK. IN FACT, DAUGHTER JANICE COOKS SUPPER EVERY NIGHT, WHILE MRS. HENDERSON MILKS. MRS. HENDERSON ALSO LOVES TO SEW AND DOES ALL HER OWN SEWING AND A LOT OF JANICE'S. SHE ALSO MAKES ALL HER OWN DRAKES AND CURTAINS. THIS WHOLE FAMILY WORKS AND PLAYS TOGETHER. THE WHOLE FAMILY LIKES TO FISH. JANICE HAS BEEN IN 4-H CLUB WORK FOR SIX YEARS AND HAS CARRIED SUCH PROJECTS AS DAIRYING, CLOTHING, FOODS, FROZEN FOODS AND PERSONALITY IMPROVEMENT. SHE HAS MANY BLUE RIBBONS FOR HER EFFORTS. SHE IS VICE PRESIDENT OF THE BARNES SCHOOL 4-H CLUB AND A MEMBER OF THE FUTURE HOMEMAKERS OF AMERICA. LIKE HER FATHER, SHE LOVES MUSIC AND SPENDS MUCH OF HER SPARE TIME WITH HER RECORD PLAYER AND HER FAVORITE ROCK AND ROLL RECORDS. THIS IS A WONDERFUL STORY OF A REALLY OUTSTANDING FARM FAMILY. THEY ATTEND CHURCH AT ROCKY POINT AND BULEAH BAPTIST CHURCH. MRS. HENDERSON BELONGS TO THE P.T.A. AND IS A MEMBER OF THE WOMEN'S AUXILIARY OF THE VFW POST IN KOSCIUSKO. DAVID IS A DIRECTOR OF THE ATTALA COUNTY FARM BUREAU, A PAST A.S.C. COMMUNITY COMMITTEEMAN AND MEMBER OF THE MILK PRODUCERS
